Celebrate with us at the Upcoming Children's Day Luncheon

As Co-Chairs' for the 14th Annual Children's Day Luncheon, we are both honored and delighted to present you with an outstanding program. Yes, this year's luncheon was presented with many challenges. However, we realized the importance of moving forward and continuing our fundraising efforts so that we could continue to serve families in Palm Beach County, giving you all the elements you have come to enjoy. On Friday, October 2nd, you will view an incredible online auction, listen to a wonderful musical performance by our UB Kinsey students, join us as we present the Harriet Goldstein Award to an individual who has made a lasting impact on families in Palm Beach County and hear from our Keynote Speaker, Commissioner Mack Bernard. This amazing program will all be done virtually.

As you may know, our goal at Families First is to enable families and support children to become productive and successful members of our community. For over 30 years we have ensured that families regain their resiliency following crisis, increase and maintain their social connections, and understand and utilize their knowledge of parenting and child development. We work individually with each family to teach them how to create a safe, secure and nurturing environment for their children. Families First impacts over 1,100 families annually.

We would like you to consider joining us as a sponsor of the annual luncheon and partnering with a well-respected organization like ours. Attached you'll find different levels of giving with benefits specific to each level. Proceeds will go directly to funding our programs and services provided by Families First of Palm Beach County. Please do not hesitate to call Samantha Whiteman at 561-714-2115 or email SWhiteman@FamiliesFirstPBC.org for more information. We hope you will partner with us and celebrate our achievements on Friday, October 2nd, 2020.

Most sincerely,

Jordan Goldman
2020 Luncheon Co-Chair
