Stronger Families - Stronger Communities

***“It is easier to build strong children than to repair broken adults.”***

**-- Frederick Douglass, Statesman**

Each year, Families First of Palm Beach County seeks to recognize an individual who has made an outstanding contribution to the most-challenged children and families of Palm Beach County. We are seeking nominations for the 2020 Harriet Goldstein Award. Harriet Goldstein was a long standing Families First board member. In recognition of her dedication as a social worker, and her advocacy on children and family issues throughout Palm Beach County, the board of directors voted to name the award after her upon her passing. The chosen individual will be honored during our virtual Annual Children’s Day Luncheon on October 2, 2020.
