

Forever Families Society

Leave a Legacy of Love
Help Ensure the Future of Families First

Families First of Palm Beach County has served more than 48,500 children and their family members since 1990. Families First created a foundation to ensure that the organization can continue its efforts for many years to come. When you leave a planned gift, you are leaving a legacy to countless children and families in our community. You will also join the Forever Families Society, a distinctive group of individuals who understand the impact one person can make on another. As a token of our appreciation, you will be invited to a Legacy Dinner in celebration of your support.
