

18th Annual Children's Day Luncheon

**Families
First**

OF PALM BEACH COUNTY

As the Philanthropy Director, I join Julie Swindler, Chief Executive Director, and the Executive Board Members in great expectation as we announce our 18th Annual Children's Day Luncheon designed to increase awareness and revenue to benefit our most vulnerable children and their families. Your generous support enables us to continue our mission to 'empower families of all histories and challenges to grow strong in every way.' We humbly ask that you please consider providing your support this year as an event sponsor.

Here's the thing, your support contributes to the success of the luncheon, but more importantly it upholds the "Strong in Every Way" mission of Families First of Palm Beach County. As an event sponsor you join us in creating a community where every family thrives, and every child's future shines brightly.

We look forward to seeing you at our 18th Annual Children's Day Luncheon, Friday, November 1, 2024, at the Kravis Center in West Palm Beach. Returning this year are CBS12 News Anchor, Matt Lincoln as event Emcee and Denise Fraile as event Chairperson. Come, be part of a transformational journey that uplifts lives and strengthens our community.

When children and their families find themselves in a dark place, Families First is a dependable beacon of hope. We provide a helping hand, empowering families to regain self-sufficiency and create safe, loving homes for their children. Our comprehensive services focus on family strengthening, health, behavioral health, and housing - ensuring that families receive the support they need to thrive.

Since 1990, Families First has served over 54,000 children and family members through our prevention and early intervention cutting-edge programs. With your amazing support, we can continue our vital mission. On the other hand, we can't begin to imagine where we'd be without your support.
